Dear Mr. Patel,

We, at Metatek, are pleased to extend our commitment to support the Baroda Science Society's Rural STEM Laboratory Initiative aimed at promoting quality science education in government schools across Gujarat.

As part of our Corporate Social Responsibility (CSR) program, we are contributing a sum of INR 1,55,000 (Rupees One Lakh Fifty-Five Thousand only) towards the establishment of a Science Laboratory under BSS. This contribution will be utilized for procuring laboratory apparatus, educational materials, and safety infrastructure necessary to enable hands-on STEM learning.

We appreciate your organization's continued efforts in fostering curiosity, innovation, and equal access to science education. We are confident that this partnership will empower hundreds of young students to pursue scientific learning and discovery.

With best wishes for your continued success,

With regards,
METATEK ENGINEERING PVT LTD

Mr. Rutvij Shah
Managing Director
